Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for SR-210 at 5th Street Street Interchange Improvements in fiscal year 2024. The entity to receive funding for this project is the City of Highland, located at 27215 Base Line St, Highland CA 92346.

The funding would be used for improvements to State Route 210 and 5th Street. The project is an appropriate use of taxpayer funds because the interchange at State Route 210 and 5th Street is a major interchange within the City of Highland, providing access to the southern part of the city, to the San Bernardino International Airport and to the City of San Bernardino from SR-210. It is also a major access point to the Amazon Air facility located at the San Bernardino Airport. Because of major growth near the airport, these improvements are needed to ensure traffic flow and access to SR-210 from 5th Street.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Pete Aguilar". The signature is written in a cursive, flowing style.
