The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Battery Electric Buses and the Design of On-Route Charging Infrastructure in fiscal year 2024. The entity to receive funding for this project is Omnitrans, located at 1700 W Fifth St, San Bernardino CA, 92411.

The funding would be used to purchase three zero emission electric busses to operate out of the maintenance facility in San Bernardino and develop engineering design plans for on-route electric charging stations throughout San Bernardino. The project is an appropriate use of taxpayer funds because it supports reliable, clean public transit, reduces greenhouse gas emissions and improves air quality for the region.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
