Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cypress Storm Drain System in fiscal year 2025. The entity to receive funding for this project is the City of Fontana, located at 8353 Sierra Avenue, Fontana CA, 92335.

The funding would be used for installing a new storm drain system to connect to the existing storm drain system to mitigate flooding issues and clean water. The project is an appropriate use of taxpayer funds because it will enhance underground infrastructure at key intersections and areas of the city where flooding occurs during heavy rainstorms.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
