Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for City of Rialto's Police Station Technology and Safety Equipment in Fiscal Year 2026. The entity to receive funding for this project is City of Rialto, located at 150 South Palm Avenue, Rialto, CA 92376. The funding would be used to purchase essential technology for the Rialto Police, including advanced surveillance equipment, license plate readers, and analytics software for crime prevention, data collection, and emergency response.

This project is a good use of taxpayer funds because it will improve public safety, reduce crime and enhance response times by equipping law enforcement with the necessary tools to monitor and respond to incidents more effectively. The funding will also support regional coordination, ensuring neighboring agencies can work seamlessly together for the benefit of the community.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Pete Aguilar". The signature is fluid and cursive, with the first name "Pete" and last name "Aguilar" clearly distinguishable.
